LMP-C190

Replacement lamp for projector model VPL-CX85, 190 Watt UHP

The LMP-C190 is a 190 Watt UHP (Ultra High Performance) lamp for the VPL-CX85 projector. During its entire lifetime you can rely on a constant light output generated by this lamp. When making important presentations, it is better to ensure you always have a projector lamp in spare, especially towards the end of the lamp's lifetime.

Compatible Products

Installation

VPL-CX61

The VPL-CX61 projector is ideal for use in the office, executive boardroom, classroom, gymnasium or even a mid-size auditorium.

VPL-CX63

The VPL-CX63 is designed for fixed ceiling mounting but can easily be used in a portable environment moving from room to room or classroom to classroom.
